This year, 208 firms made the Houston Chronicle's annual list of the region's top workplaces. Did yours make the cut?
Alexandria A. Badillo/Houston Chronicle

Every year, the Houston Chronicle publishes a list of the city's top places to work, based on an employee survey conducted by Energage.

Two hundred eight workplaces made the cut this year, spanning industries from law to accounting, education to local government. The winning workplaces include [65 small companies](#) (fewer than 150 employees), [71 midsize companies](#) (150-499 employees), and [72 large companies](#) (500+ employees).

Here are this year's top firms, sorted by company size. Use the dropdown arrows for more information on each winning workplace.

Large workplace winners

Top large workplaces in Houston

Among participating firms with 500 employees or more, these 72 were named top workplaces based on annual employee survey.
